REGARDING PRIVATE COLLECTIONS IN SAN DIEGO

October 21, 2006–January 7, 2007

Peek inside the homes of some of this region's most prominent art collectors in this diverse display that highlights 25 of the finest private collections in San Diego County. Representing a wide range of artistic practices, the exhibition showcases works by Rembrandt, Monet, Georgia O'Keeffe, Willem de Kooning, Mary Cassatt, Frida Kahlo, and Nan Goldin, as well as African, Oceanic, Asian, and Pre-Columbian art. San Diego's collecting community has grown increasingly sophisticated over the past couple of decades, and this special exhibition presents a rare opportunity to discover some of the most remarkable art objects located right in our own backyard.
